

What our 2015 parents say about our camp . . .

- ★ Our children are in their 6th year of summer camp at Winnewald and absolutely love it. They love it because of the fun activities, the pools, the fantastic counselors, the music program, arts and crafts, the trips and evening activities, the play, Mr. and Mrs. Jones, and the phenomenal C.A.M.P attitude which is continually stressed. In addition, they have made so many friends that they look forward to seeing every summer, and several who they even get together with over the year! We love it because they are outside all day long, with no media, in a fantastic environment.
- ★ My kids come home every day singing new songs, full of fun details from their day, with a reinforcement of the respect and lessons we teach at home, and telling me how much they love camp. They NEVER want to go home!
- ★ Summer is short enough - let every moment at camp count! My children have learned to swim, fish, play cool outdoor games and much more in a safe environment. The counselors are experienced and most have attended this camp since they were children.
- ★ This was Emme's 2nd year at Winnewald, and she has had an absolutely fabulous time. The counselors have been amazing, the variety of activities continue to hold her interest and the swimming program has made a huge difference in her confidence in the water. We have nothing but great things to say about Winnewald, and I recommend you any chance I get!

- ★ Winnewald is a great camp; the staff are wonderful and the activities and games the children play foster teamwork, collaboration and fun!
- ★ I loved that my shy daughter was taken in by the counselors and welcomed. Having swim lessons was also important to me as was free play time.

One of the biggest reasons I chose to send my 6 year old was my observance of opening ceremonies last year. The saying the Pledge Of Allegiance, patriotic songs and teaching respect for all as the older children sat patiently while the little ones put on a skit was wonderful.

- ★ Best Summer Day Camp in the area!
- ★ W-I-N-N-E-W-A-L-D...Winnewald's the place for me...come take a look and see and maybe for you too it could be! Thanks for many years of fantastic experiences, growth and both child and parental satisfaction!!
- ★ My son loves attending Winnewald. Bob and Carol have created a fun and supportive culture for young people.
